<b>Business Unit</b>	Torque Program   AOD & Mental Health
<b>Location</b>	26 Jessie St. Coburg
<b>Employment type</b>	Full Time, Maximum Term
<b>Reports to</b>	Team Leader, Torque Program

## About Uniting

Uniting Vic.Tas is the community services organisation of the Uniting Church. We've been supporting people and families for over 100 years. We work alongside people of all ages in local communities in Victoria and Tasmania. Our services reach to Albury-Wodonga in the north, Mallacoota in East Gippsland, the Wimmera region in the west, and across Tasmania.

We empower children, young people and families to learn and thrive. We're there for people experiencing homelessness, drug and alcohol addiction or mental illness. We support people with disability to live the life they choose. We assist older people to maintain their independence and enjoy life. We provide opportunities to access training and meaningful employment. We're proud to welcome and support asylum seekers to our community. We work to empower people with the information, skills and tools they need to live a healthy, happy life.

As an organisation, we work in solidarity with Aboriginal and Torres Strait Islander people as Australia's First Peoples and as the traditional owners and custodians of this land.

We celebrate diversity and value the lived experience of people of every ethnicity, faith, age, disability, culture, language, gender identity, sex and sexual orientation. We welcome lesbian, gay, bisexual, transgender, gender diverse and non-binary, intersex, and queer (LGBTIQ+) people at our services. We pledge to provide inclusive and non-discriminatory services.

**Our purpose:** To inspire people, enliven communities and confront injustice

**Our values:** We are imaginative, respectful, compassionate and bold

### 1. Position purpose

The purpose of this position is to support the development and delivery of evidence based individual and group therapeutic interventions intended to:

- Provide behaviour changing interventions to assist individuals to reduce or cease harmful alcohol and drug use,
- Assist participants to establish healthier lifestyles free of problematic alcohol and drug use; and
- Assist participants to avoid and better manage relapse.
- Where indicated, assist participants to identify the link between offending behaviour and contributing factors

### 2. Scope

**Budget:**

- Nil

**People:**

- Nil

#### 4. Key responsibility areas

##### Provision of treatment services

- Provide high quality engagement, assessment, treatment and support services to individuals and their families, using best practice principles including Family Inclusive Practice and Dual Diagnosis Principles
- Assess the suitability of consumers referred to the program and facilitate the intake and assessment process in collaboration with intra and inter service providers
- Ensure that consumers on a waitlist have Interim Support Plans to help avoid and better manage relapse
- Facilitate a range of therapeutic and psycho-educational groups, including group interventions for families and significant others
- Demonstrate proficiency in the application of Motivational Enhancement and Cognitive Behavioural Therapies
- Work with consumers to develop, implement and review their individual treatment goals including discharge plans
- Collaborate with existing service providers and facilitate referrals to other services if required
- Participate in 'housekeeping' activities that support the day-to-day operation of the program

##### Project Development and Review

- Promote consumer participation in evaluation activities
- Actively contribute in formal intra and inter service program development and evaluation activities which may include participating in working parties
- Participate in program marketing activities

##### Professional Liaison and Consultation

- Support collaborative and productive working relationships with intra and inter service providers and stakeholders
- Maintain regular communication and feedback with the Team Leader and Manager regarding waiting list, risk management and group interaction
- Actively participate in the clinical review of individual treatment plans in collaboration with the team and external service providers

## Position Description

### AOD Counsellor, Torque Program

#### Supervision and professional development

- Actively participate in regular individual and group supervision
- Actively participate in ongoing professional development via the annual performance reviews, individual and group supervision provided and attend relevant training as required

#### Administration

- Maintain file records, data collection processes and reporting as required
- Contribute to the achievement of quality improvement, both in terms of individual and program performance by encouraging an environment where high quality work is achieved and supported by the adherence to/development of quality systems documentation
- Adhere to and keep informed of all relevant legislative compliance requirements, and report any perceived breaches, risks, hazards, incidents and complaints to line Manager or other appropriate person
- Undertake other duties as directed by the Team Leader

#### Personal accountability

- Compliance with Uniting's values, code of conduct, policies and procedures and relevant government legislation and standards where relevant
- Cooperate with strategies to actively ensure the safety, protection and well-being of children who come into association with us
- Ensure appropriate use of resources
- Work collaboratively with Uniting (Victoria Tasmania) employees and external stakeholders in accordance with Uniting's values and professional standards of behaviour
- Actively participate in initiatives to maintain, build upon and promote a positive and collaborative workplace
- Identify opportunities to integrate and work collaboratively across teams
- Take reasonable care for your own health and safety, and health and safety of others (to the extent required)
- Promote a positive safety culture by contributing to health and safety consultation and communication
- Promptly respond to and report health and safety hazards, incidents and near misses to line management
- Attend mandatory training sessions (i.e. equal employment opportunity, health, and safety) and mandatory training specific to position
- Declare anything that you become aware of through the course of your engagement which may impede your suitability to work with children and/or young people

---
