

Position Description:

**Casual - Drink and Drug Driving Behaviour Change Program Facilitator**

**Location-** *Training is delivered at Various Locations around Victoria*

**About Us:**

You-Group are a new Professional Training Company based in Frankston. We are growing at a rapid rate and need to add more talented people to our crew. If you are an above the line performer, and approach your work with passion please keep reading.

We believe that education & training can reduce the stigma attached to Mental illness and Drug Dependence in the community. We aim to reduce the educational gaps and are passionate about empowering people with the knowledge and skills to improve and advance their overall health and well-being.

Our training team consists of like-minded professionals who have a broad range of Qualifications and years of experience working in various roles across the Justice, Mental Health, Alcohol and Other Drugs and the Community Welfare Sectors.

**About the role:**

The position involves facilitating the Drink and or Drug Drive Behaviour Change Program (DDDBCP) in accordance with VicRoads requirements.

The program is based on cognitive behavioural and motivational approaches and includes some education, as well as screening for serious alcohol and other drug problems.

You will be supporting small groups of participants (8-10) to identify and discuss the motivating factors that led them to drink and or drug drive; investigate motivations for changing their behaviour and develop an action plan and or strategies to assist them to not drink and or drug drive in the future.

You will be a team player and work closely with the YG intake team to support participants to complete the program. The YG team complete all the paperwork for you, so you can focus on your program delivery

This position is a casual position, potential of part time opportunity in the near future.

Facilitators are expected to progress through the **VicRoads Accreditation Process** to become certified in all programs including the intensive program, bonus points if you are already accredited with VicRoads.

**About You:**

- ✓ Relevant Diploma level or higher qualification in Psychology, Social Work, Health, Human Services, AOD or Mental Health or a related qualification.
- ✓ Two years' experience conducting group facilitation in a mandated capacity
- ✓ Experience in working with clients who are intoxicated or early stages of change
- ✓ Demonstrates knowledge in conducting assessments with clients experiencing AOD and legal problems.
- ✓ Completion of VicRoads Program Delivery training, including Motivational Interviewing training if required (on the job completion possible if the successful candidate meets all other criteria)

**To work with You-Group you must have:**

A driver's licence with no more than six (6) demerit points and to have had no licence disqualifications or suspensions. (Driver licence check undertaken by VicRoads)

Working with Children Check and recent police check
